

REMARKS

This is a response to the final Office Action mailed on March 1, 2010.

Claims 1 and 107 are amended. No new matter is presented. Claim 1 is amended to include the subject matter of claim 106 which has been deemed to contain allowable subject matter. As a result, claim 106 is cancelled and claim 107 is made dependent on claim 1. Claim 1 should therefore be in condition for immediate allowance. Claim 114 is new, but presents no new issue. Without conceding to the propriety of the rejections, and to expedite the allowance of the application, the remaining claims which do not depend on claim 1 have been cancelled. All claims should therefore be in condition for immediate allowance.

The Examiner is therefore respectfully requested to pass this application on to an early issue.

The Examiner's prompt attention to this matter is greatly appreciated. Should further questions remain, the Examiner is invited to contact the undersigned attorney by telephone.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 501826 for any matter in connection with this response, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: April 1, 2010
